

OPEN CALL

RODEO FESTIVAL 2024

FESTIVAL PERIOD
9. – 15. OKT
2024

For Munich based artists

Projects from Munich's performing arts community wanted for the festival program.

Rodeo has been the platform for the independent performing arts in Munich since 2010. The biennial festival provides insights into the diversity of Munich's dance and theater scene, connects local and international artists, sets new artistic impulses and discusses current cultural-political topics. Over the years, Rodeo has evolved into an important meeting point for local, national and international artists from the independent scene.

The next edition will take place from October 9 to 15 in Munich. It is once again organized by HochX, which has already hosted the double festival Freischwimmen meets Rodeo in the fall of 2022. Artistic directors are Antonia Beermann and Ute Gröbel; together with producer and curator Anna Donderer, they are curating the program of Rodeo 2024.

You want to be part of Rodeo 2024 with your production? Then apply for our Open Call!

We are looking for projects that

- were created in the years 2022 and 2023
- are aesthetically consistent
- pursue unconventional forms of narration and representation
- work on issues of social diversity
- reach new audiences

Productions that use artistic strategies to break down (reception) barriers are especially desired.

Who can apply?

Artists and groups who have a work focus and/or base (production and performances) in Munich. The Open Call is open to applications from all areas of the independent performing arts. You will hear from us latest in April 2024 if your project got invited or not.

Please block the entire festival period from 09-15.10.2024 for a presentation in Munich until April 2024!

How can I apply?

Application deadline is **January 10, 2024**. Please send your application documents to info@rodeofestival.de. A complete application consists of:

- the completed application form (available for download at www.hochx.de or www.rodeofestival.de)
- meaningful materials such as a project dossier, CVs of the artists, press releases, reviews or dossiers on the work (max. 5 MB)
- a video recording
- a calculation (personnel and material costs) for a performance
- a technical rider

If you have any questions or accessibility needs in the context of the application, please send an email to info@rodeofestival.de.

We are looking forward to your applications!
